

A large, mature pine tree stands in a snowy landscape. The tree's branches are thick and dark, heavily coated with a thick layer of white snow. The ground is also covered in a smooth, white blanket of snow. The sky is a clear, bright blue, providing a sharp contrast to the white snow and dark tree. The overall scene is peaceful and serene, capturing a winter day.

**We Must Prepare:
Live Ready and Die Ready
To
Receive and Live
God's Everlasting Life**

We must live ready, and die ready to be granted to live the everlasting life God wants us to have.

About Life Expectancy

The number of years we live, could be 3 scores and 10 years. A score is 20 years. We may live 3 scores, 60 years, plus 10 more; seventy years of life. There is more good news. Additional years are possible, given certain conditions. If we practice good behavior and have reasonable strength we may live an additional 10 years. Four scores is 80 years. Read it for yourself from the Bible. (Psalm 90:10)

It gets better. Number of years here on earth for many is more than 80 years. The Bible also says man's days would increase. God says man's days shall be 120 years.(Genesis 6:3) Life span of people today is moving toward what God says it shall be, 120 years.

There are promises pertaining to length of life for men, made by Almighty God in his word. Psalm 91 says "With long life will I satisfy him, and show him my salvation."

The length of time we have to live could be a long time. A long time though, is not forever.

Forever

This life that we are experiencing is not forever. To those of us that are living, life appears to come to an end when people die. To those of us still alive, we cannot find those that have died. Those that hope and keep faith in what God has told us, believe and know that those who have passed on from this life live on.

Almighty God promises that each of us can have everlasting life. You do not know where you were 150 years ago. Beyond what God promises, you do not know where you will be 150 years from now. I know and believe that you will be somewhere and you will know it. You will know it just like you know today, this moment. This life, then, must be preparation time for what is to be: forever. Prepare; know the things Jesus tells us to do.

How are you spending your days and years?
What are you doing in this life?

I challenge you to get your bible and read Psalm 1: verses 1-6 and Psalm 15: 1-5. If you do not have a bible get one. Use your app (technology) to hear the word of God read.

Psalms 1:1-6 and 15: 1-5 are scriptures that are examples from a whole book of teachings, of the kind of preparation God is telling us to make. I did not type the verses from God's word here for you to read. I cannot do it for you. I am asking you to do it for me. There is more in the Bible given by God through inspired men and through his son Jesus Christ then I could ever type up to share with you.

So, please, get started. Read the Bible.

Get started

Find out what God is saying to you from the Bible. Take in the word of God: however; wherever!

If you are not on your way to God's everlasting life - get started. God the father, God the son, God the holy spirit will guide you. You are not too young; you are not too old. Get started, continue, and end reading and meditating in the, word, the law of God.

We are significant to God. In serious thought, Job recognized the concern and attention God has given and still gives to man. "What is man that thou are mindful of him..." (Job 7:17) God is our creator. We are his creation. (Genesis 1:27)

Know God. Acknowledge God! First and foremost acknowledge to God who he is! Learn who God is to you and who you are to him. God speaks to us through his word. The Christian Bible is a compilation of his word.

"In the beginning God created the heaven and the earth." Genesis 1
"So God created man....." Genesis 1:27

Make This Effort A Priority

Let a two-way, close, relationship with God be a goal with priority.

Prepare now so you will be given to eat of the tree of life. (Rev. 2:7) Use the instructions in the Bible to prepare so that you will not be hurt of the second death. (Rev. 2:11)

Get started. Read your bible so that you can prepare and know the will of God. Hear the word of God.

Find out what God has and is saying. Make this a priority in your life. Jesus instructs us to seek first the kingdom of God and his righteousness.

God Wants Us To Have Everlasting life

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.” (St. John 3:16)

Jesus, though he died on the cross, rose from death and he lives.
